</tbody>
</table>
2. Select the desired account type from the pull-down list of Call Type before calling.
3. Enter the calling information in the input box.
   You can also select the desired record from the recent call history.
4. Press \( \text{ } \rightarrow \text{ } \) to select (video call) / (voice call).
5. Press \( \text{ } \rightarrow \text{ } \).

Calling a Contact
1. Select Dial menu or press \( \text{ } \rightarrow \text{ } \) to enter the pre-dialing screen.
2. Press \( \text{ } \rightarrow \text{ } \) to return to the menu.
3. Press \( \text{ } \rightarrow \text{ } \) or \( \text{ } \rightarrow \text{ } \) to select Directory.
4. Press \( \text{ } \rightarrow \text{ } \) to enter submenu.
5. Select the desired contact type from the pull-down list of All Contacts.
6. Press \( \text{ } \rightarrow \text{ } \) or \( \text{ } \rightarrow \text{ } \) to select the desired contact.
7. Press \( \text{ } \rightarrow \text{ } \) to enter submenu, select the video call/voice call.
8. Press \( \text{ } \rightarrow \text{ } \).

Calling a Call Record
1. Select Dial menu or press \( \text{ } \rightarrow \text{ } \) to enter the pre-dialing screen.
2. Press \( \text{ } \rightarrow \text{ } \) to return to the menu.
3. Press \( \text{ } \rightarrow \text{ } \) or \( \text{ } \rightarrow \text{ } \) to select History.
4. Press \( \text{ } \rightarrow \text{ } \) to enter submenu.
   The display device shows recent call records.
5. Select the desired list from the pull-down list of All Calls.
6. Press \( \text{ } \rightarrow \text{ } \) or \( \text{ } \rightarrow \text{ } \) to select the desired call record.
7. Press \( \text{ } \rightarrow \text{ } \) to enter submenu, select the video call/voice call.
8. Press \( \text{ } \rightarrow \text{ } \).

Initiating a Conference
Do one of the following:
- Select Dial menu or press \( \text{ } \rightarrow \text{ } \) to enter the pre-dialing screen.
- Press \( \rightarrow \) or \( \rightarrow \) to select Group Dial.
- Press \( \rightarrow \) to enter submenu.
- Check multiple contacts' checkboxes.
- Press \( \rightarrow \) to enter submenu.
- Select Start conference call.
- Press \( \text{ } \rightarrow \).

- Use your preferred dialing method, call the first site.
- Press \( \rightarrow \) or \( \rightarrow \) to enter Talk Menu.
- Press \( \rightarrow \) or \( \rightarrow \) to select New Call, and then press \( \text{ } \rightarrow \).
- You can do one of the following:
  - If you select Dial, enter information and then dial out.
  - If you select Directory, select the desired contact to dial out.
  - If you select Group Dial, check multiple contacts' checkboxes.
    - Press \( \rightarrow \) to enter submenu.
    - Select Start conference call.
    - If you select History, select the desired call record to dial out.
The site is added to the conference after answering.

Answering a Call
1. Press \( \text{ } \rightarrow \) on the remote control.

Ending a Call
1. Press \( \text{ } \rightarrow \) on the remote control.

Call Mute and Unmute During a Call
- Press \( \rightarrow \) on the remote control to mute the microphone, others cannot hear you.
- If the call is muted, press \( \rightarrow \) on the remote control to unmute the call.

Adjusting the Volume
1. Press \( \rightarrow \) or \( \rightarrow \) on the remote control.

Adjusting the Video Layout in a Call
1. Press \( \rightarrow \) on the remote control in a call.
2. Select the desired layout, and then press \( \rightarrow \).

Adjusting a Camera
From the idle screen, enter the near-site video image and press \( \rightarrow \), \( \rightarrow \), \( \rightarrow \), \( \rightarrow \) or \( \rightarrow \) to pan or tilt the camera. Press \( \rightarrow \) to zoom in or \( \rightarrow \) to zoom out.
- In a call, press \( \rightarrow \), \( \rightarrow \), \( \rightarrow \), \( \rightarrow \) or \( \rightarrow \) to pan and tilt the camera. Press \( \rightarrow \) to zoom in or \( \rightarrow \) to zoom out.

Powering the System On and Off
- Press \( \rightarrow \) on the remote control to power on the system.
- Press \( \rightarrow \) on the remote control, and then select Shut down to power the system off.

More Information
